

# WHAT IS CULTURE?

... in your journal...

# IDENTITY

What cultural styles, regions or ideas do you associate with yourself?

What might be some reasons that defines who you are?

You have a **YOUNGER** sibling

You have ever ridden on a Motorcycle

You live in **AMERICA**

**STAND UP IF...**

*Favorite color*  
*is **BLUE***

You've texted your family today

You've ever lived outside of Missouri

# How do we create an IDENTITY?

In your SMALL FIRE groups list things that might make part up of an identity

- 
- 
- 
- 
- 

Take turns listing these things on the board

# Unit 2

## **Artists Explore Identity of Self & Others in Artwork**

As part of this unit we will create 3-4 “mini projects” together to gain skills and insight

Mandalas

Caricatures

Self-Portrait Silhouettes

Blind Contour Drawings

**You will then create an individual project in response to the theme**

Create

A black and white graphic featuring a magnifying glass with a thick black frame. The lens is centered on the word "RESEARCH" in a large, bold, serif font. The background is a dense field of blurred, overlapping text, creating a sense of depth and focus on the central word. The magnifying glass handle extends from the bottom right towards the center.

**RESEARCH**

**Look further/dig deeper into this topic on your own...**

Use one of the artists mentioned as a starting point. Research of roominate on the realizations we made about identity and where it comes from this morning during brainstorm.
